

Kastrup, June 27, 2017

Dear Madam, Dear Sir,

Worldwide Flight Services hereby has the pleasure to announce that it has appointed Mr Jimi Daniel Hansen as General Manager Scandinavia.

Until now, Jimi was overlooking WFS Denmark as a Country Manager, but the growth and challenges in our Stockholm station, have convinced us of the need to have a GM in place for that location as well.

Mr Hansen will therefore take the responsibilities for the General Management of the whole of Scandinavia and will as such be your direct point of contact for matters relating to WFS Sweden AB.

We wish Jimi a lot of success in taking up his new tasks and thank you in advance for your support.

Yours Sincerely,

Marc Claesen  
Regional Vice President  
Worldwide Flight Services
